

THE APRIL TERM HELD ON THE 21st DAY OF MAY 2012

The County Commission convened at 9:05 a.m., pursuant to adjournment on May 15, 2012.

Present: Dan Colbert-Presiding Commissioner, Jim Mayes – Associate Commissioner District 1, Matt Bass-Associate Commissioner District 2, Crystal Hall--County Clerk, the following proceedings were held:

Invocation given by Commissioner Mayes.

Highway Department: Bruce Wallace and Don Lilley

- General road maintenance issues were discussed.
- Two school signs will be put up on Elm Tree Road to alert motorists of the school at the First Baptist Church.
- Don Lilley continues to communicate with the residents on S. Chantilly Road. A meeting has been scheduled for Thursday, June 7th at the Ninth Grade Center to discuss the details regarding the road improvements.

911 Director: Margie Harrell

- Dispatcher Robyn Haase received a “Heart Save Hero Award”. Haase was recognized as well as the center for a recent cardiac save.
- Kevin Hailey and Mike Cherry were present representing the Lincoln County Fire & Ambulance Chiefs Association. Hailey thanked the Commission for agreeing to push the rate increases back to January 1 for budget reasons. The Chiefs’ Association would like a set schedule of increases. The Commissioners explained no increases had been issued since 2008, and that the proposed increases were fair based on call volume for the center.
- Hailey discussed the opinion of the Chiefs’ Association regarding the 911 Advisory Board. The Chiefs’ feel that they don’t have enough say in the decision making process of the operations of the center. They feel they would be better served with a user board instead of an advisory board. The Commissioners have legal counsel looking into possible expansion of the board and recommended that the Chiefs’ send a representative to the Advisory Board meetings to be proactive.

Ministerial Activities/Road and County Property Inspection:

- Commissioners attended the Four County meeting held in Warrenton.

There being no other business before the County Commission at this time, the meeting thereupon was adjourned until Tuesday, May 22, 2012 at 9:00 a.m.
