## INDEPENDENT AUDITOR'S REPORT

To the County Commission  
The County of Lincoln, Missouri

### **Report on the Financial Statements**

We have audited the accompanying financial statements of the County of Lincoln ("County"), Missouri, which comprise cash and unencumbered cash for each fund as of December 31, 2015, and the related statements of cash receipts and disbursements and disbursements-budget and actual for the year then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the regulatory basis of accounting, a financial reporting framework prescribed or permitted by Missouri law as described in Note I of the accompanying financial statements. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles***

As described in Note I of the financial statements, the financial statements are prepared on the basis of the financial reporting provisions prescribed or permitted by Missouri law, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of Missouri.

The effects on the financial statements of the variances between the regulatory basis of accounting described in Note I and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

### ***Adverse Opinion on U.S. Generally Accepted Accounting Principles***

In our opinion, because of the significance of the matter discussed in the “Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles” paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of each fund of the County as of December 31, 2015, or changes in financial position or cash flows thereof for the year then ended.

### ***Opinion on Regulatory Basis of Accounting***

In our opinion, the financial statements referred to above present fairly, in all material respects, the cash and unencumbered cash of each fund of the County as of December 31, 2015, and their respective cash receipts and disbursements, and budgetary results for the year then ended in accordance with the financial reporting provisions prescribed or permitted by Missouri law described in Note I.

### ***Other Matters***

#### ***Other Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the County of Lincoln’s basic financial statements. The schedule of expenditures of federal awards, as required by *Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations and Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The schedule of expenditures of federal awards is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated July 16, 2016, on our consideration of the County of Lincoln's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering County of Lincoln's internal control over financial reporting and compliance.

THE COUNTY OF LINCOLN  
TROY, MISSOURI  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2015

---

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The County of Lincoln, Missouri (“County”), which is governed by a three-member board of commissioners, was established in 1818 by an Act of the Missouri Territory. In addition to the three Commissioners, there are 11 elected Constitutional Officers: County Clerk, Collector, Treasurer, Sheriff, Auditor, Assessor, Public Administrator, Coroner, Circuit Clerk, County Surveyor and Prosecuting Attorney.

As discussed further in Note I, these financial statements are presented on the regulatory basis of accounting. This basis of accounting differs from accounting principles generally accepted in the United States of America (GAAP).

A. Reporting Entity

As required by generally accepted accounting principles, as applicable to the regulatory basis of accounting, these financial statements present the County’s financial accountability.

The County’s operations include tax assessments and collections, state/county courts, county recorder, police protection, transportation, economic development, and social and human services.

The financial statements referred to above include only the primary government of Lincoln County, Missouri, which consists of all funds, organizations, institutions, agencies, departments, and offices that comprise the County’s legal entity.

B. Basis of Presentation

The financial statements are presented using accounting practices prescribed or permitted by Missouri law, which include a Statement of Receipts, Disbursements and Changes in Cash Balances – All Governmental Funds, Comparative Statements of Receipts, Disbursements and Changes in Cash Balances – Budget and Actual – All Governmental Funds, and Statements of Assets and Liabilities Arising from Cash Transactions – Agency Funds.

Governmental resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. A fund is considered a separate accounting entity with self-balancing accounts. The following fund types are used by the County:

***Governmental Fund Types***

Governmental funds are those through which most governmental functions are financed. The County’s expendable financial resources are accounted for through governmental funds. The measurement focus is determined upon changes in financial position rather than net income.

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

B. Basis of Presentation (concluded)

*Fiduciary Fund Types*

*Agency* – Agency funds are used to account for assets held by the County in a trustee capacity as an agent of individuals, private organizations, other funds or other governmental units. Agency funds are accounted for and reported similarly to governmental funds. Agency funds are custodial in nature (assets equal liabilities) and do not involve the measurement of results of operations. These funds account for activities of collections for other taxing units by the Collector of Revenue and other agency operations.

C. Basis of Accounting

Basis of accounting determines when transactions are recorded in the financial records and reported on the financial statements.

The financial statements are prepared on the regulatory basis of accounting. This basis of accounting recognizes amounts received or disbursed in cash and differs from accounting principles generally accepted in the United States of America.

As a result of using this regulatory basis of accounting, certain assets (such as accounts receivable and capital assets), certain revenues (such as revenue for billed or provided services not yet collected), certain liabilities (such as accounts payable, certificates of participation bonds and obligations under capital leases) and certain expenditures (such as expenditures for goods or services received but not yet paid) are not recorded in these financial statements.

D. Budget and Budgetary Accounting

The County follows these procedures in establishing the budgetary data reflected in the financial statements:

1. In accordance with Chapter 50 RSMo, the County adopts a budget for each governmental fund.
2. On or before December 1st, each elected officer and department director will transmit to the County Clerk, who serves as budget officer, the budget request and revenue estimates for their office or department for the budget year.
3. The County Clerk submits to the County Commission a proposed budget for the fiscal year beginning January 1 by December 15th. The proposed budget includes estimated revenues and proposed expenditures for all budgeted funds. Budgeted expenditures cannot exceed beginning available monies plus estimated revenues for the year. Budgeting of appropriations is based upon an estimated unencumbered fund balance at the beginning of the year as well as estimated revenues to be received. The budget to actual comparisons in these financial statements, however, do not present encumbered fund balances, but only compare budgeted and actual revenues and expenditures.

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

D. Budget and Budgetary Accounting (concluded)

4. A public hearing is conducted to obtain public comment. Prior to its approval by the County Commission, the budget document is available for public inspection.
5. Prior to January disbursements, the budget is legally enacted by a vote of the County Commission.
6. Subsequent to its formal approval of the budget, the County Commission has the authority to make necessary adjustments to the budget by formal vote of the Commission. Adjustments made during the year are reflected in the budget information in the financial statements.

Budgeted amounts are as originally adopted, or as amended by the County Commission throughout the year. Individual amendments were not material in relation to the original appropriations which were adopted.

7. Budgets are prepared and adopted on the cash basis of accounting.

E. Property Taxes

Property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on October 1 and tax bills are mailed to taxpayers in November, at which time they are payable. All unpaid property taxes become delinquent as of January 1, of the following year.

The assessed valuation of the tangible taxable property, included within the County's boundaries for the calendar year 2015, for purposes of taxation, was:

	2015
Real Estate	\$ 465,787,913
Personal Property	164,111,466
Railroad and Utilities	73,176,124
	\$ 703,075,503

During 2015, the County Commission approved a \$.4747 tax levy per \$100 of assessed valuation of tangible taxable property for the calendar year 2015, for purposes of County taxation, as follows:

	2015
General Revenue Fund	\$ .2090
Special Road & Bridge Fund	.2657

F. Cash Deposits and Investments

Deposits and investments are stated at cost, which approximates market. Cash balances for all the County Treasurer Funds are pooled and invested to the extent possible. Interest earned from such investments is allocated to each of the funds based on a weighted average of cash balance. Cash equivalents include any instruments with an original maturity of 90 days or less. State law authorizes the deposit of funds in banks and trust companies or the investment of funds in bonds or treasury certificates of the United States, other interest bearing obligations guaranteed as to both principal and interest by the United States, bonds of the State of Missouri or other government bonds, or time certificates of deposit, provided, however, that no such investment shall be purchased at a price in excess of par. Funds in the form of cash on deposit or time certificates of deposit are required to be insured by the Federal Deposit Insurance Corporation (FDIC) or collateralized by authorized investments held in the County's name at third-party banking institutions. Details of these cash balances are presented in Note II.

G. Interfund Transactions

During the course of operations, numerous transactions occur between individual funds for goods provided or services rendered. These receivables and payables, if applicable, are eliminated due to reporting the financial statements on the regulatory basis of accounting.

Legally required transfers are reported as "transfers in" by the recipient fund and as "transfers out" by the disbursing fund.

II. DEPOSITS

The County maintains a cash pool that is available for use by all funds. Deposits with maturities greater than three months are considered investments. Each fund type's portion of this pool is displayed as "Cash and Equivalents" under each fund's caption.

Deposits - Missouri statutes require that all deposits with financial institutions be collateralized in an amount at least equal to uninsured deposits. At December 31, 2015, the carrying amount of the County's deposits was \$6,473,253.29, and the bank balance was \$37,395,768.55.

For a deposit, custodial credit risk is the risk that in the event of a bank failure, the government's deposits may not be returned to it. The County's investment policy does include custodial credit risk requirements. The County's deposits were not exposed to custodial credit risk for the year ended December 31, 2015.

Custodial Credit Risk – Investments

Investment securities are exposed to custodial credit risk if the securities are uninsured, are not registered in the name of the government, and are held by the party who sold the security to the County or its agent but not in the government's name. The County does have a policy for custodial credit risk relating to investments.

Investment Interest Rate Risk

Investment interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The County does have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Concentration of Investment Credit Risk

Concentration of investment credit risk is required to be disclosed by the County for any single investment that represents 5% or more of total investments (excluding investments issued by or explicitly guaranteed by the U.S. Government, investments in mutual funds, investments in external investment pools and investments in other pooled investments). The County has a policy in place to minimize the risk of loss resulting from over concentration of assets in specific maturity, specific issuer or specific class of securities. The County's deposits were not exposed to concentration of investment credit risk for the year ended December 31, 2015.

VI. COUNTY EMPLOYEES' RETIREMENT FUND (CERF)

A. Plan Description

CERF was established by an act of the Missouri General Assembly effective August 28, 1994. Laws governing the retirement fund are found in Sections 50.1000-50.1300 of the Missouri Revised Statutes (RSMo). The Board of Directors consists of eleven members, nine of whom are County employee participants. Two members, who have no beneficiary interest in CERF, are appointed by the Governor of Missouri. The Board of Directors has the authority to adopt rules and regulations for administering the system.

CERF is a mandatory cost-sharing multiple employer retirement system for each County in the state of Missouri, except any city not within a County (which excludes the City of St. Louis) and counties of the first classification with a charter form of government. CERF covers County elective or appointive officers or employees whose position requires the actual performance of duties not less than 1,000 hours per year; including employees of circuit courts located in a first class, non-charter County which is not participating in the Local Government Employees Retirement System (LAGERS); and does not cover circuit clerks, deputy circuit clerks, County prosecuting attorneys, and County sheriffs. Until January 1, 2000, employees hired before January 1, 2000, could opt out of the system. CERF is a defined benefit plan providing retirement and death benefits to its members. All benefits vest after 8 years of creditable service. Employees who retire on or after age 62 are entitled to an allowance for life based on the form of payment selected. The normal form of payment is a single life annuity. Optional joint and survivor annuity and 10-year certain and life annuity payments are also offered to members in order to provide benefits to a named survivor annuitant after their death.

VI. COUNTY EMPLOYEES' RETIREMENT FUND (CERF) (concluded)

A. Plan Description (concluded)

Employees who have a minimum of 8 years of creditable service may retire with an early retirement benefit and receive a reduced allowance after attaining age 55. Annual cost-of-living adjustments, not to exceed 1%, are provided for eligible retirees and survivor annuitants, up to a lifetime maximum of 50% of the initial benefit which the member received upon retirement. Benefit provisions are fixed by state statute and may be amended only by action of the Missouri Legislature. Administrative expenses for the operation of CERF are paid out of the funds of the system.

The County Employees' Retirement Fund issues audited financial statements. Copies of these statements may be obtained from the Board of Directors of CERF by writing to CERF, 2121 Schotthill Woods Drive, Jefferson City, MO 65101, or by calling 1-573-632-9203.

B. Contributions

Prior to January 1, 2003, participating County employees, except for those who participated in LAGERS, were required to make contributions equal to 2% of gross compensation. Effective January 1, 2003, participating County employees hired on or after February 25, 2002, are required to make contributions of 4% if they are in a LAGERS county and contributions of 6% if they are in a non-LAGERS county. If an employee leaves covered employment before attaining 8 years of creditable service, accumulated employee contributions are refunded to the employee.

The contribution rate is set by state statute and may be amended only by action of the Missouri Legislature. During 2015, the County collected and remitted to CERF employee contributions of \$151,223.58 for the year then ended.

VII. PROSECUTING ATTORNEY RETIREMENT FUND

In accordance with state statute Chapter 56.807 RSMo, the County contributes monthly to the Missouri Office of Prosecution Services for deposit to the credit of the Missouri Prosecuting Attorneys and Circuit Attorney Retirement System Fund. Once remitted, the State of Missouri is responsible for administration of this plan. The County has contributed \$7,752 for the year ended December 31, 2015.

VIII. POST-EMPLOYMENT BENEFITS

The County does not provide post-employment benefits except as mandated by the Consolidated Omnibus Budget Reconciliation Act (COBRA). The requirements established by COBRA are fully funded by employees who elect coverage under the Act, and no direct costs are incurred by the County. As of December 31, 2015, the County had two COBRA participants paying premiums of \$6,219.48.

IX. CLAIMS COMMITMENTS AND CONTINGENCIES

A. Litigation

The County is involved in pending litigation as of the audit report date.

B. Compensated Absences

The County provides employees with up to three weeks of paid vacation based upon the number of years of continuous service. Upon termination from County employment, an employee is reimbursed for unused leave time. These have not been subjected to auditing procedures.

C. Federal and State Assisted Programs

The County has received proceeds from several federal and state grants. Periodic audits of these grants are required, and certain costs may be questioned as not appropriate expenditures under the grant agreements. Such audits could result in the refund of grant monies to the grantor agencies. Management believes that any required refunds, if determined necessary, will be immaterial. No provision has been made in the accompanying financial statements for the potential refund of grant monies.

X. RISK MANAGEMENT

The County is exposed to various risks of losses related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters; and has established a risk management strategy that attempts to minimize losses and the carrying costs of insurance. There have been no significant reductions in coverage from the prior year and settlements have not exceeded coverage in the past three years.

The County is a member participant in a public entity risk pool, which is a corporate and political body created pursuant to state statute (Chapter 537.70 RSMo. 1986). The purpose of the risk pool is to provide liability protection to participating public entities, their officials, and employees. Annual contributions are collected based on actuarial projections to produce sufficient funds to pay losses and expenses. Should contributions not produce sufficient funds to meet its obligations, the risk pool is empowered with the ability to make special assessments. Members are jointly and severally liable for all claims against the risk pool.

The County is also a member of the Missouri Association of Counties Self-Insured Workers' Compensation and Insurance Fund. The County purchases workers' compensation insurance through this Fund, a non-profit corporation established for the purpose of providing insurance coverage for Missouri counties. The Fund is self-insured up to \$2,000,000 per occurrence and is then reinsured up to the statutory limit through excess insurance.

SCHEDULE OF STATE FINDINGS

There was no budget prepared for the Special Elections Fund for the year ended December 31, 2015, because it is an internal service fund used to record all election expenses and the reimbursements from both the County and other entities who are billed. Election expenses are budgeted within the General Fund.

Actual expenditures exceeded those budgeted in the Sheltercare Fund and the Lakeview NID Fund for the year ended December 31, 2015.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON  
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF  
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE  
WITH *GOVERNMENT AUDITING STANDARDS***

INDEPENDENT AUDITOR'S REPORT

To the County Commission  
The County of Lincoln, Missouri

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the County of Lincoln ("County") as of and for the year ended December 31, 2015, and the related notes to the financial statements, which collectively comprise the County's basic financial statements, and have issued our report thereon dated July 16, 2016.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify certain deficiencies in internal control, described in the accompanying schedule of findings and questioned costs that we consider to be significant deficiencies. [FS 2015-001, FS 2015-002]

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **The County's Response to Findings**

The County's responses to the findings identified in our audit are described in the accompanying schedule of findings and questioned costs. The County's responses were not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM  
AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE  
REQUIRED BY THE UNIFORM GUIDANCE**

**INDEPENDENT AUDITOR'S REPORT**

To the Members of the Board of Education  
County of Lincoln

**Report on Compliance for Each Major Federal Program**

We have audited County of Lincoln's ("County") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the County's major federal programs for the year ended December 31, 2015. The County's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

***Management's Responsibility***

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

***Auditor's Responsibility***

Our responsibility is to express an opinion on compliance for each of the County's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 *U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the County's compliance.

***Opinion on Each Major Federal Program***

In our opinion, the County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2015.

## Report on Internal Control Over Compliance

Management of the County is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the County's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

NOTE 1 – BASIS OF PRESENTATION

I. Basis of Presentation

The accompanying schedule of expenditures of federal awards (the “Schedule”) includes the federal award activity of the County of Lincoln under programs of the federal government for the year ended December 31, 2015. The information in this Schedule is presented with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the County of Lincoln, it is not intended to and does not present the financial position, changes in net assets, or cash flows, or cash flows of the County of Lincoln.

II. Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the cash basis of accounting. Such expenditures are recognized following, as applicable, either the cost principles in OMB Circular A-87, *Cost Principles for State, Local, and Indian Tribal Governments*, or the cost principles contained in Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. The County has elected to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

NOTE 2 – SUBRECIPIENTS

The County did not have any subrecipients during the year ended December 31, 2015.

II. FINANCIAL STATEMENT FINDINGS

FS 2015-001 Criteria: Statement on Auditing Standards (SAS) No. 115, *Communicating Internal Control Related Matters Identified in an Audit*, which is effective for periods ending on or after December 15, 2009, as amended by SAS No. 122, *Statements on Auditing Standards: Clarification and Recodification*, considers inadequate documentation of the components of internal control to be at least a significant deficiency.

Condition: Documentation of internal controls has not been prepared for the Prosecuting Attorney's office.

Context: During discussions with management, we noted that internal control documentation has not been prepared for the Prosecuting Attorney's office.

Effect: SAS 122 considers inadequate documentation of the components of internal control to be at least a significant deficiency. Without documented internal controls, the Prosecuting Attorney's office may not be able to ensure that controls are in place, communicated and operating effectively.

Cause: The Prosecuting Attorney's office did not prepare the required documentation.

Recommendation: We recommend that the Prosecuting Attorney's office develop the required internal control documentation. In addition, we recommend studying the COSO internal control guidance and tools as a means to begin the process. Once this documentation is complete, those charged with governance have a responsibility to understand the controls and ensure they are operating effectively.

Views of responsible officials and planned corrective actions: The Prosecuting Attorney's office has completed the documentation on 3/7/2016. The Prosecuting Attorney is Leah Askey, and her office phone number is (636)528-8571.

FS 2015-002 Criteria: Antifraud programs and controls are the policies and procedures put in place by an organization to help ensure that management directives are carried out. They are part of the overall system of internal control established to achieve reliability of financial reporting, effectiveness and efficiency of operations, and compliance with applicable laws and regulations.

Condition: During our audit, we noted there is no formal fraud risk assessment in place for the Prosecuting Attorney's office.

Context: During discussions with management, we noted there were no formal fraud risk assessments implemented for the Prosecuting Attorney's office.

I. FINANCIAL STATEMENT FINDINGS (concluded)

FS 2015-002 Effect: Lack of an appropriate risk assessment process may result in certain risks not being identified by Prosecuting Attorney's office management. Opportunities to commit and conceal a fraud or irregularity may go undetected by management without proper assessment procedures.

Cause: Management has not prepared documentation of risk assessments, including identified risks and mitigating controls.

Recommendation: We recommend that the Prosecuting Attorney's office address various risks in the environment, including risk of fraud occurring by performing assessments to identify, analyze and manage these risks.

Views of responsible officials and planned corrective actions: The Prosecuting Attorney's office will work with the County Clerk to prepare the risk assessment. The Prosecuting Attorney is Leah Askey, and her office phone number is (636)528-8571. The County adopted a County-wide fraud risk assessment and Code of Conduct on April 14, 2015, for all County offices, including the Prosecuting Attorney's Office.

III. FEDERAL AWARD FINDINGS AND QUESTIONED COSTS

Condition: Lack of segregation of duties and misappropriation of assets.

Context: During our testing of internal controls and the cash for the Sheriff's Inmate Account, we noted a lack of segregation of duties in the areas of receipts and disbursements. A bank reconciliation was not completed for the Sheriff's Inmate Account.

Effect: Assets were misappropriated for the Sheriff's Inmate Account due to a lack of segregation of duties.

Cause: The Sheriff's office assigned a limited number of personnel with insufficient segregation of duties between staff to review and manage cash for this account.

Recommendation: These areas should be reviewed periodically by management and consideration should be given to improve segregation of duties.
