

PUBLIC NOTICE

From the Office of Crystal M. Hall, Lincoln County Clerk and Election Authority

In accordance with Chapter 115 of the laws of Missouri, notice is hereby given that on Friday, February 14, 2020 beginning at 8:30 am in the second-floor courtroom of the Lincoln County Courthouse located at 201 Main Street in Troy, the Lincoln County Clerk's Office will prepare the ballot marking devices and the vote tabulating equipment to be used for absentee ballots cast in the clerk's office for the April 7, 2020 Municipal General Election. The test will be open to observation by representatives of the political parties, candidates, the news media, and the general public. The test will be conducted by the Bipartisan Election Equipment Certification Team who will verify that the ballot marking devices are properly set to mark ballots per voter commands and by processing a pre-audited group of ballots through each precinct tabulator that absentee ballots will be cast upon at the election. If any error is detected the cause shall be ascertained and corrected. An errorless count shall be made before the equipment is approved for use in the election.

Pursuant to the order issued by the Missouri Court of Appeals, Eastern District, on March 20, 2020, the April 7, 2020 Municipal General Election is postponed until Tuesday, June 2, 2020. Therefore, the Bipartisan Election Equipment Certification Team will convene on Tuesday, May 19, 2020 beginning at 8:30 am in the second-floor courtroom of the Lincoln County Courthouse to conduct the Public Logic and Accuracy Test of the ballot marking devices, the vote tabulating equipment, and the election reporting software to be used at the June 2, 2020 Municipal General Election. The test will be open to observation by representatives of the political parties, candidates, the news media, and the general public. The test will be conducted by the Bipartisan Election Equipment Certification Team who will verify that the ballot marking devices are properly set to mark ballots per voter commands, by processing a pre-audited group of ballots through each precinct tabulator and by verifying that results are properly reported by the election reporting software that will be used at the election. Testing will continue on Wednesday, May 20th if necessary. If any error is detected, the cause shall be ascertained and corrected. An errorless count shall be made before the equipment is approved for use in the election.

The Bipartisan Election Equipment Certification Team will convene on Thursday, June 4, 2020 at 8:30 am in the second-floor courtroom of the Lincoln County Courthouse to process the same group of ballots through all of the tabulating equipment that votes were cast upon in the June 2, 2020 Municipal General Election. Testing will continue on Friday, June 5th if necessary. If any error is detected, the cause shall be ascertained and documented for review by the Election Verification Team. The test will be open to observation by representatives of the political parties, candidates, the news media, and the general public.

The Election Verification Team will convene on Monday, June 8, 2020 at 10:00 am in the counting room on the 3rd floor of the Lincoln County Courthouse. All reports and documentation from the June 2, 2020 Municipal General Election will be reviewed for compliance with the laws of the State of Missouri prior to the Election Verification Team certifying the official election returns. The election verification process will be open to observation by representatives of the political parties, candidates, the news media, and the general public.

If you have any questions or concerns, please contact the Lincoln County Clerk's Voter Registration Office at (636) 462-8090 between the hours of 8:00 am and 4:30 pm Monday through Friday.
